## **NEWS RELEASE**

### **West Virginia State Police Chooses US PeaceKeeper Rapid Deployment Pack for State Troopers**

US PeaceKeeper Products of Sussex, WI, manufacturer of tactical cases is proud to announce the West Virginia State Police has chosen the USP Rapid Deployment Pack to be their primary support pack for all 668 State Troopers.

The US PeaceKeeper RDP is an innovative “go-bag” for the patrol officer with pouches for (4) spare rifle magazines, (2) spare pistol magazines, a 16 ounce water bottle, an optional medical kit, integrated pistol tie-down for back-up handgun, and additional cargo space. Developed with input from members of the law enforcement and military communities, the Rapid Deployment pack gives the officer a readily accessible

“We are very pleased with our Rapid Deployment Packs. Thanks for a sturdy and well made product.” ~ 1/Lt. R. R. Reed, Firearm Section Head, West Virginia State Police

“I’m delighted to see the state of WV equipping their state troopers with a rifle and recognizing the necessity of providing an essential pack to carry added ammunition and medical supplies if the situation should arise.” Julie Knuth, National Sales Manager, US PeaceKeeper Products, Inc.

The USP Rapid Deployment Pack is just one of the items in our offering. To see out complete line visit [www.uspeacekeeper.com](http://www.uspeacekeeper.com)
